

On December 1, we began issuing parking permits for the year 2023.

The resident's parking permits, commonly known as parking stickers, for the year 2022 will expire on January 31, 2023. Our company began issuing parking permits for the year 2023 on Thursday, December 1, 2022. In order to protect the health of our customers and colleagues, the inquiry can be submitted electronically, on the website of our company, after a simple registration in the "Ügyfélablak". The renewal of the parking permit can also be arranged by sending the inquiry to our e-mail address parkolas@kozszolgaltato.bp13.hu and attaching the scanned / photographed copies of the required documents. You can also visit our Customer Service Centers for the personal administration in Lehel Csarnok and at Béke str. 65.

In the case of an electronic petition on the homepage of XIII. Kerületi Közszolgáltató Zrt., you need to fill out the form found in the menu of "Ügyfélablak". It is necessary to attach a scanned / photographed copy of the vehicle's registration, the official certificate certifying the address (address card) and the bank or postal transfer receipt confirming the payment of the fees. You can also pay with credit card on our website, both the cost of the permit (1000,- HUF) and the additional yearly fee for the second permit per address.

On the website, it is possible to indicate on the application form whether the given permit will be the first or the second one at the address, in the latter case the form will also calculate and charge the yearly fee to be paid. If you send the inquiry in an e-mail, please state the order of the permit (first or second) in the text of the e-mail.

Attention!

- a.) If you are not paying with a credit card, please transfer the fee of 1000,- HUF for the online inquiry to our account number 11784009-20601160, and please indicate in the notice the registration number of the car and the text "Resident's parking permit".
- b.) In the menu of „Ügyfélablak” please choose „Lakossági várakozási engedély (parkolási matrica)” (Residential parking permit – parking sticker) and not "Parkolóbérlet a Lehel Csarnokban" (Parking pass for Lehel Csarnok)!
- c.) In case of an electronically handed in inquiry we will mail your vignette in registered mail. If the letter is not accepted by you or your agent after the notification, the Post will return it to our customer service. The permits returned by the Post can be picked up at the Customer Service Centers (Lehel Csarnok or Béke str. 65.), by selecting the appropriate menu item at the customer caller terminal, and by paying the additional administration fee for personal inquiry (+1000,- HUF).

We recommend the Customer Service in exceptional and urgent cases only, where you can personally hand in the inquiry and receive the vignette in your hand.

You can see our opening hours clicking in the following [link](#).

A resident's parking permit can also be applied for by an individual who has received the car for his or her exclusive use („kizárólagos használat”) from his or her employer and has not yet obtained a resident's parking permit for a vehicle where he or she is the operator. In this case, too, the conditions are that the declared permanent address of the individual is in the paying parking area of the XIII. District, and that the operator or owner of the vehicle in question is the claimant's employer or the vehicle is leased by his employer under a long-term lease for more than 1 year, and that the operator does not have a parking surcharge registered with our company. A copy of the certificate of exclusive use and a copy of the company's statement (not older than 1 year) and a copy of the signature specimen of the signee of the certificate must be attached to the application. In the case of leasing and long-term rental, proof of the contract is required on a form that can be downloaded from our website

IMPORTANT CHANGES!

1. Already at the time of issuing the resident's parking permits for the year 2021, a new ordinance of the XIII. District Municipality was introduced that the permit can only be redeemed for one car per resident and for a maximum of two cars per apartment.

Compared to the parking decree of the Municipality of Budapest, the ordinance of the XIII. District Municipality, the second parking permit per apartment has a 20% discount on the maximum amount of the yearly fee, that is 250 times the hourly parking fee.

The formula for the yearly fee for the second car per apartment:

- **hourly parking fee** at the permanent address * **250** (number of working days in a year) * **0.8** (20% discount in the XIII. District)

In case such a second vehicle that has parking permit is sold during the year or the resident moves from the XIII. District, and the certification vignette is handed over in person at the Customer Service Center or returned by post, then the remaining time-proportionate yearly fee for the second permit will be refunded to the customer.

2. **In case of rejection or cancellation** of the submitted application (inquiry), **the fee** of 1000,- HUF or 2000,- HUF **will not be refunded.**

3. From 2022, **no parking permit can be issued for vehicles with foreign registration plates** pursuant to paragraph 2/C. of the Decree 19/2010 (VI.28.) of the XIII. District Municipality!

4. From 2023, **the 50% discount on the business organization's parking permit will be discontinued**, it will not be possible to start discounted mobile parking and to buy parking tickets with a discount, based on an amendment of the above-mentioned decree. **Previously purchased, coded parking cards will continue to be accepted by ticket vending machines till January 31, 2023. We will not be able to refund any unused amount.**
